

# Mentally Handicapped Enterprise

## Destruction

I can feed 4 handicapped people  
In about 5 minutes time  
I'm getting faster every day  
I don't get paid for doing time  
We always used to spend the money  
Now it's time for us to count  
You can put 10 in one bedroom  
and you'll get the better amount

Live inside like outside  
Get to know reality  
Mentally handicapped enterprise  
Must be free

I decide for you what's right  
Cause someone else decided so  
And if you do not like it here  
There'll be a time-out room to go to  
And if you think you need a bit more  
Of my attention go insane  
The only way someone can veto  
Is my opening his veins

Live inside like outside  
Get to know reality  
Mentally handicapped enterprise  
Must be free

And if you feel a bit forced by me  
There is only one thing for you to do  
And that's to  
Take these pills  
Take this medicine  
Forget your pocket money  
And go to bed early  
Mentally handicapped enterprise  
Must be free

This is business  
This is a factory  
Masa carnis  
No human being

Live inside like outside  
Get to know reality  
Mentally handicapped enterprise  
Must be free
