## Destruction

Everything comes to an end, forced or by normal intend  
The chapter will close anyhow, the question is what you allow!  
Fight - Fight the system - You gotta keep the resistance

Sacrifice - Isolation is the price - Sacrifice  
Sacrifice - Isolation is the price  
Sacrifice - Is the name of the game in the end we're all the same!

Avoid the brain damage intercourse, education needs to be the source

Doubt ridden should your game, the supervision is to blame!
