

The Price

Destruction

Everything comes to an end, forced or by normal intend
The chapter will close anyhow, the question is what you allow!
Fight - Fight the system - You gotta keep the resistance

[Chorus:]

Sacrifice - Isolation is the price - Sacrifice

Sacrifice - Isolation is the price

Sacrifice - Is the name of the game in the end we're all the same!

Avoid the brain damage intercourse, education needs to be the source

Doubt ridden should your game, the supervision is to blame!

Fight - Fight the system - You gotta keep the resistance

[Chorus:]

Sacrifice - Isolation is the price - Sacrifice

Sacrifice - Isolation is the price

Sacrifice!

Punisher of tainted horror - A ticking time bomb to explode

Guideline of the lost, this world ain't no place of fuckin' trust!

Everything comes to an end, forced or by normal intend

The chapter will close anyhow, the question is what you allow!

[Chorus:]

Sacrifice - Isolation is the price - Sacrifice

Sacrifice - Isolation is the price

Sacrifice!
