

## Twist of Fate

### Destruction

Trust is nothin' to spit on  
It's something that you don't deserve  
You are a scheming player  
A traitor, a slayer, failure to observe!  
Life's a bitch end in the ditch - letdown and hate  
Twist of fate  
Hang yourself with a figure eight - now it's too... late  
Twist of fate  
Twist of fate!  
Twist of fate!  
You try to rule my fuckin' life  
You give me hell on earth  
You've frightened away my social dealings  
Aversion's is all that is left - for what it's worth  
Life's a bitch end in the ditch - letdown and hate  
Twist of fate  
Hang yourself with a figure eight - now it's too... late  
Twist of fate  
Twist of fate!  
Twist of fate!  
No money could buy you the freedom  
The peace of mind that you won't get  
The inner strife of your soul will kill  
Worthless fuck best of luck this ain't a murder threat
