

# Bloodlines

Dethklok

I track my history  
Bloody burned family tree  
Native blood runs in me  
Murderous tendencies

Keep blood lust away  
Keep violence at bay  
Can't deny genetics  
Animal DNA

Disappear into the fog  
Gonna multiply the tainted blood  
Can't remember where you go at night  
You got the bloody teeth and wolven sight

Ancestor genocide  
We were killed to save lives  
Just one beast did survive  
Now I live to take life

Keep yourself from me  
Can't help what I be  
I am man and beast  
Your flesh I will eat

Fall right into homicide  
Become the beast the lives inside  
Sink your fangs into the skin  
Drink the blood so you may live  
Kill until you find the one  
That will carry tainted sons  
Deth brings life into dark  
Infest the world and make your mark  
Tonight

Go perpetuate  
Go procreate  
Insure homicide  
Keep bloodlines alive  
Our children will regress  
And hunger for the flesh  
They can't be controlled  
They hunger for your soul  
Tonight

(Close your eyes and become the animals that you once were)

Bloodlines  
I'll take your life  
I'll give you life  
Bloodlines

Life  
I'll take your life  
I'll give you life
