

# Magnus and the Assassin

Dethklok

Welcome to your resting place!  
Please enjoy your stay!  
I'll be your ambassador  
Of sorrow and decay!

It takes patience; we are alike!  
You have the strength, but the cunning's all mine!  
I am the brains, you are the power!  
The legacy of Dethklok will be devoured!

I WILL TAKE THEM!  
I WILL BREAK THEM!  
I WILL CLAW AT THEIR FLESH AND FORSAKE THEM!  
SEEK REVENGEANCE  
FOR MY BROTHER!  
I WON'T STOP UNTIL I'M SATISFIED!

I'm not a terrible person!  
I'm just a man filled with pain!  
Cast out by the Klok to live in obscurity!  
I will pay them back the same way!  
I'm no murderer, I'm just a man!  
I'm the judge and jury, and your case is in my hands!  
You should be on my side, so should she!

When Dethklok is imprisoned, the world will thank me!

Whoa!  
You are my bait!  
They will come for you!  
They'll be trapped!

Whoa!  
I've been so patient!  
My reward is owed!

Whoa!  
My apologies!  
You're just like me  
A victim of the band!

Whoa!  
I see it all too clearly!  
They will live just like me  
In obscurity!

Whoa!  
You're scarin's me!  
Whoa!

Whoa!  
You're scarin's me!  
Please don't hurts us  
We ain't dones nothing wrong, my friend!

Whoa!

Whoa!  
You're scarin's me!
