

The Crossroads

Dethklok

My god. They killed him.

What should we do?

What should we do?

This is our chance.

We should make a run for it now.

Because if that were me inside,
none of you would come to save me anyhow.

You're out of your mind.

Because if that were you inside,
I'd use every breath and risk my life for you.

Let's do what we came here to do.
