Deuce

It's a new day, out of my way  
Here I come now, to the new age  
It's a new change, on a new plane  
Push me around, I feel no pain  
It's a new day, out of my way  
Here I come now, out of my cage  
It's a new change, on a new wave  
Push me around, I'm not moving

What happened to rock and rap and these white boys tryna backstreet they asses, back in the game  
Don' already had them, I handed they asses back at 'em  
Madness occurred, after that shit, it happens  
Thank god I had him, askin' why the fuck he ever came in the first place with them camera's rollin' in action  
Escaped it, face it, it's too late bitch  
I'm gone now chasin' all that fame  
"haha"  
Racin' and it only took one day, yeah, to write this whole song, homies still on probation  
Entertaining and educating all these kids about my childhood  
Must help this nation  
Amen, will god save all these faggots?  
Damn Aron you shouldn't say that

I've never felt like this before..  
Like I'm sober  
I'm breakin' the rules that you follow..  
Invincible

It's a new day, out of my way  
Here I come now, to the new age  
It's a new change, on a new plane  
Push me around, I feel no pain  
It's a new day, out of my way  
Here I come now, out of my cage  
It's a new change, on a new wave  
Push me around, I'm not moving

How does it feel to have no power  
You only get it from sniffin' powder  
Downers, uppers for cowards  
Wowzers, and you push me around  
Downwards is where you're goin' for now, word  
Yowzers, still complain' about your album  
Like you were supposed to go platinum  
How can that happen, that I can't even fathom  
Random how you went from diggin' in trash cans  
On the streets of Hollywood to joinin' a clown clan  
Bow down, on your knees, balls on your chin now  
How about some deep throatin', let it all go down  
Stick to your town, I'm here with this nation  
Split it right there in the middle at over blow blowzers  
Don't worry about our last encounter  
Been countin' all the minutes, my final hour

I've never felt like this before..

Like I'm sober  
I'm breakin' the rules that you follow..  
Invincible

It's a new day, out of my way  
Here I come now, to the new age  
It's a new change, on a new plane  
Push me around, I feel no pain  
It's a new day, out of my way  
Here I come now, out of my cage  
It's a new change, on a new wave  
Push me around, I'm not moving

REMEMBER ME

I watched your whole castle crumble  
Right by your side when you were in trouble  
REMEMBER ME

I loved watchin' you struggle  
Tryna hit notes, the industry puzzled  
REMEMBER ME

Always pretendin' that you were my brothers  
So I could get closer to you fuckers  
REMEMBER ME  
And when we drank I barely would ever guzzle  
Right behind your back, was countin' the numbers

"Oh shit  
Yeah, damn Big Deuce  
Haha, you know what it is  
Let's go."

It's a new day, out of my way  
Here I come now, to the new age  
It's a new change, on a new plane  
Push me around, I feel no pain  
It's a new day, out of my way  
Here I come now, out of my cage  
It's a new change, on a new wave  
Push me around, I'm not moving

REMEMBER ME

I watched your whole castle crumble  
Right by your side when you were in trouble  
REMEMBER ME
