Hotellounge (Be the Death of Me)

"This elevator only takes one down", she said, "this place, this hotel lounge it's my daily bread... but I'm underfed"

He asked: "are you living in the night? cause I can tell you have a lousy imagination and as a matter of speaking I hate this situation... but it happens to be one of my pickin'"

"Cause it's so hard to keep the dream alive Cause if it all comes down to this how will..."

You move me, you move me You move me around around, I guess Take it back your analogue It's on the other side of this (2x)

Cause if it all comes down to this how will...

And then she said: "and have another cigarette" I tend to forget (but anyway I don't smoke that shit) And hoisted the flag but it keeps hanging down

"You know this place, this hotel lounge It's my life, it's my choice And I'm in love with Ricky Lee Jones' voice"

Cause it's so hard to keep the dream alive And if it all comes down to this how will...

You move me, you move me You move me around around, I guess Take it back your analogue It's on the other side of this (5x)

How will glamour survive? (4x)

And if it all comes down to this...

"This elevator only takes one down", she said, "this place in this same old town"

"Do you see that man in the left-hand corner Do you see that woman Listenc z www.txp.fz their love story's famous"
