

Suds & Soda

dEUS

Your head come on is dead and gone it might as well be said so
long
It's suds and soda a brain decoder and can I wait for my decode
r
Get off get up you son of pop the light below is bright on top
It's suds and soda a smile decoder and can I get yeah what I or
dered?
And there's always something in the air, sometimes, suds & soda
mix ok with beer
Can I, can I break your sentiment
You're just a monument, can't see no precedent
Just wanna shout what the fuck
Jimmy Dean is Halloween like kerosene for dee dee scene
It's suds and soda a brain decoder and can I skip this thing I
ordered
Get off get up you son of pop the light below is bright on top
It's suds and soda a vibe decoder and can I get yeah what I ord
ered?
And there's always something in the air, sometimes, suds & soda
mix ok with beer
Can I, can I break your sentiment
(To me) you're just a monument, can't see no precedent
Just wanna shout what the fuck
And there's always something in the air
Your face come on is dead and gone, you might as well be said s

Get off get up you son of pop the light below is bright on top
It's suds and soda a smile decoder and can I skip yeah what I o
rdered?
And can I break your sentiment?
So can I break your sentiment, so can I break your sentiment
So can I break your sentiment, so can I break your sentiment
So can I break your sentiment, so can I break your sentiment
So can I break your sentiment, so can I break your sentiment
So can I break your sentiment, so can I break your sentiment Fr
