Your head come on is dead and gone it might as well be said so long

It's suds and soda a brain decoder and can I wait for ${\tt my}$ decode ${\tt r}$

Get off get up you son of pop the light below is bright on top It's suds and soda a smile decoder and can I get yeah what I or dered?

And there's always something in the air, sometimes, suds & soda mix ok with beer

Can I, can I break your sentiment

You're just a monument, can't see no precedent

Just wanna shout what the fuck

Jimmy Dean is Halloween like kerosene for dee dee scene

It's suds and soda a brain decoder and can I skip this thing I ordered

Get off get up you son of pop the light below is bright on top It's suds and soda a vibe decoder and can I get yeah what I ord ered?

And there's always something in the air, sometimes, suds & soda mix ok with beer

Can I, can I break your sentiment

(To me) you're just a monument, can't see no precedent

Just wanna shout what the fuck

And there's always something in the air

Your face come on is dead and gone, you might as well be said s o long

It's suds and soda a brain decoder and can I wait for my devote r

Get off get up you son of pop the light below is bright on top It's suds and soda a smile decoder and can I skip yeah what I o rdered?

And can I break your sentiment?

So can I break your sentiment, so can I break your sentiment

So can I break your sentiment, so can I break your sentiment

So can I break your sentiment, so can I break your sentiment

So can I break your sentiment, so can I break your sentiment

So can I break your sentiment, so can I break your sentiment Friday, Friday, Friday,

Friday, Friday, Friday
