

## Kiss It

Dev

Let me make it clear  
I don't want you here  
Feels like it's been years  
Only been a month  
Looking in the mirror  
I had more beers  
Than I shed tears  
I don't even drink

La la la la (drink)  
La la la la (drink)  
La la la la (drink)  
La la la la

You say you wasn't even mad  
So why you gotta be like that?  
I told you I would be right back  
Don't like it? You can kiss my ass  
Don't you worry about my heart  
Knew you would break it from the start  
I thought that we could make it last  
Now I'd rather you kiss my ass

La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)

I enter, through the exit  
Girls giving me numbers, telling me text her  
Me and Dev we hide it in Texas  
Starred in MTV where all these dudes get naked  
Getting hecting, living life so reckless  
My money tetras, play you instrument nexus  
And give me got shout, with a 12 gate  
Throw you an ass of Jame like 12 play, huh  
Since you left me I'm a new man  
You wanted space here's some new rim  
All my exes are dodged, I'm like new rims  
Raising to that money, and that new rim

You say you wasn't even mad  
So why you gotta be like that?  
I told you I would be right back  
Don't like it? You can kiss my ass  
Don't you worry about my heart  
Knew you would break it from the start  
I thought that we could make it last  
Now I'd rather you kiss my ass

La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)

Living, work out, gym  
Couldn't fuck with him

He won't take a hint  
He should get a clue  
He was more broke  
Than he was a joke  
I don't even smoke  
I should be more blunt

La la la la (blunt)  
La la la la (blunt)  
La la la la (blunt)  
La la la la

You say you wasn't even mad  
So why you gotta be like that?  
I told you I would be right back  
Don't like it? You can kiss my ass  
Don't you worry about my heart  
Knew you would break it from the start  
I thought that we could make it last  
Now I'd rather you kiss my ass

La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)

La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)  
La la la la (kiss it, kiss it)
