

# Knockin

Dev

Feel the bass

You-you feel the bass  
Y-you-you-you feel the bass  
You-you feel the bass  
Y-you-you-you feel

Cruisin down the boulevard feelin hella good  
Smokin while I'm drivin, you would if you could  
So I'ma push, smokin on this Reggie Bush  
Avoidin the P's, steady tryin to hit it (hit it)  
Jesus G's, you niggaz don't get it  
And she's a tease, you're never gonna hit it  
She say she wanna keep her clothes on  
I'm not a drummer but this summer the beat goes on  
I told her, let me flip this shit, then I'll dip this shit  
Then I'll hit this shit, I'm the magnificent  
Equivalent to no other, relevant to recover  
Sell that shit to your mother

Tell me can, you hear, me knockin knock knock-knockin  
I make, you feel, be-beat droppin drop drop-droppin  
The bass, is bangin out the place, place, is bangin out  
So can, you hear, me-me knock knock kn-knock-knockin

ME, LUDA! Yo (woo!)  
You beat it like Ike Turner, I swang it like A-Rod  
Up-and-comin rappers better keep they fuckin day job  
Cause I'm the best so they got me mistaken  
So clock in and watch this lyrical ass whoopin  
Cause they got flows that make hoes sleepy like slow jams  
My shit ROCKS! (COCAINE!) Like Lindsay Lohan  
Listen to Luda in the Cadillac Broug-ham  
Try to turn me down and your niggaz like "NO, MAN!"  
Don't you EVER touch a black man's radio!  
'Specially when Luda (Bust Rhymes) in (Scenario)  
Plat' plaques from Rio to Ontario  
Bustin through your speakers like Tyson's in your stereo

Tell me can, you hear, me knockin knock knock-knockin  
I make, you feel, be-beat droppin drop drop-droppin  
The bass, is bangin out the place, place, is bangin out  
So can, you hear, me-me knock knock kn-knock-knockin

UGHHHH, I'll plug jumper cables to the bridge (BAY AREA!)  
Put your lights back in this bitch (bitch)  
West Coast representative from the label they call Sick Wid It  
The best that ever lived it and spit it  
and fucked around and got away wit it (got away wit it)  
UGHH, ever since the '80s I've been paved wit it, overlooked and underrated  
Gotta keep it real wit y'all, I can't fake it (I can't fake it)  
UGHH, I be off-beat then I'm on-beat  
then I'm off-beat then I'm on-beat and my style is so unique  
I gotta have one teeth in my mouth and sweep a broad up off her feet (feet)  
Took her down on the couch before I had a chance to speak (speak)  
Skeeted all in her mouth and then we went for round three (three)  
We was tied just like the soap opera{?}, at the same time reached our peak

Tell me can, you hear, me knockin knock knock-knockin  
I make, you feel, be-beat droppin drop drop-droppin  
The bass, is bangin out the place, place, is bangin out  
So can, you hear, me-me knock knock kn-knock-knockin
