

I was at the bar shake shakin' takin' 'em off
And that night i played the wall
Checkin' out the fellas the highs the lows
Keepin' one eye open still clockin' 'em
Still one particular boy that stood out from the rest

Poison as can be how how is she
Dev here and i'm runnin' the show
It's driving me out of my mind
That's why it's hard for me to find
Can't get it outta my head
Miss him, kiss him, love him, wrong move you're dead
That boy is poison

Boy i must warn you
I sense something strange in my mind
Situation is serious
Let's cure it 'cause we're running out of time
It's all so beautiful
Relationships they seem from the start
It's all so deadly
When love is not together from the heart

It's driving me out of my mind
That's why it's hard for me to find
Can't get it outta my head
Miss him, kiss him, love him, wrong move you're dead
That boy is poison

If i were you i'd take precaution
Before i start to leave fly boy
You know 'cause in some portions
You'll think he's the best thing in the world
He's so fly, will drive you right out of your mind
Steal your heart when you're blind
Beware he's schemin', will make you think you're dreamin'
You'll fall in love and you'll be screamin' dreamin'

It's driving me out of my mind
That's why it's hard for me to find
Can't get it outta my head
Miss him, kiss him, love him, wrong move you're dead

I was at the bar shake shakin' takin' 'em off
