

# Goin' Back

Devendra Banhart

Goin' back to the place  
Where it all started from  
Gonna see my old friends try and have a little fun

Goin' back to the way that it once used to be  
Have a couple drinks and wander aimlessly  
Just like old times  
Yeah just like old times

And maybe see the changes in me  
Remember where I've been and never go back again  
Maybe see the changes in me  
Make no mistake  
There's plenty of those to make

Never never never goin' back  
Never ever ever goin' back

Goin' back to the place where my lover and I met  
I can give her all I got  
She can ring my little neck just like old times  
Just like old times

Goin' back to the time when I didn't need a thing  
Just the tappin' of my foot and a little song to sing  
That'll do just fine  
Yeah that'll do just fine

And maybe meet a little lady  
Tell me where I go, tell me where I come  
Take me anytime you like hon'  
Take me as I am or as who I might become

Never ever ever goin' back  
Never ever ever goin' back

Goin' back, goin' back, goin' back  
Goin' back, goin' back, goin' back  
Goin' back, goin' back, goin' back...
