

# Last Song for B

Devendra Banhart

A movement  
Attunement  
A new dream  
Beyond dream

A shadow  
Lies wilting  
A child  
Born singing

I want to grow  
I want to grow  
I want to grow  
I want to grow  
Want to grow

Holding on  
Unite us  
This lifetime  
As lovers  
For all time

A movement  
Attunement  
A new dream  
Beyond dream

A shadow  
Lies wilting  
A child  
Born singing

I want to grow  
I want to grow  
I want to grow  
I want to grow  
Want to grow

Holding on  
Unite us  
This lifetime  
As lovers  
For all time
