Devendra Banhart

I pretend when I look in your eyes
Don't know where you're going
Don't come back, please come back tonight
Just about the only thing left is a lie
I wonder where you are
Then I wonder
But I won't wonder anymore

And I can see you now
Sitting there in front of the station
Feel the rain fall down again
I'd love to be there now but I'm heading in the other direction
Feel the rain fall
Feel the rain fall

Why is the moon so bright?
Why are you so nice?
See you alone at the Walgreens at night
I used to think that you'd always return to your woman-in-
waiting
My love belongs to no one
And just about the only thing left is a lie
I wonder where you are
Then I wonder again

And I can see you now
Sitting there in front of the station
Feel the rain fall down again
