Never Seen Such Good Things

Devendra Banhart

Never seen such good things go so wrong And everywhere we turn they're playing our song

Should have known someone so much like me Would give me hell and send me to my knees

Love you're a strange fella Sure leave your mark indelibly Love you're a strange fella Won't you leave your mark on me

If we ever make sweet love again I'm sure that it will be quite disgusting Race to the end, race to the end

The memory of a ceremony so Empty, bitter, boring and hollow Hollow

Love you're a strange fella Sure leave your mark indelibly May as well be forever Love won't you come and punish me

Sad lady you win, sad lady you win Sad lady you win, sad lady you win Sad lady you win, sad lady you win Sad lady you win, sad lady you win
