We certainly are nice people
Nice people
Certainly are nice people

In your whitest suit
And lion tatatoes
In your whitest suit
And your lion tatatoes
You've seen it all
Seen it all

Pale horse licks your skin begin
Begin begin begin begin begin
We certainly are
We certainly are nice people
Nice people
Certainly are nice people
Nice people

In your white suit
And lion tatatoes
And your whitest suit
And lion tatatoes
You've seen it all
Seen it all

Pale horse licks your skin
Begin begin begin begin begin
We certainly are nice people
Nice people
