

Noah

Devendra Banhart

Not everyone can relate,
To what you and I appreciate
To what you and I appreciate

Noah is a cowboy
But nobody knows
Can guys owed ill socks? wtf?
Still nobody knows

Not everyone can relate
To what you and I appreciate
Not everyone can relate
To what you and I appreciate

But no you'd like to ride away
But it's hard with horseshoes made of clay
The selfish friend that I am says stay

My friend,
My friend,
My friend
