

Lord's Prayer

Devil Doll

Dear God please don't fuck me on this one
Cause me heart is getting colder
Nights are getting older
And I have always known that he is the one
So God please don't fuck me one this one
The path was a little shady
And I haven't always been a lady
But I gave my heart and soul
Intentions pure as gold
But he still felt he had to go so

So God please don't fuck me on this one

So God please don't fuck me on this one
