

## Bring the Fight (To the Floor)

DevilDriver

Torrid tales from the rats,  
They're filled with disgust  
I'm closer to closure now than  
I've ever been  
It's so honestly honest just who's my friend  
And who's riding the coattails 'til the end

Sure as shit  
There's nothing that will change me  
There's nothing sure as shit

Now there's no quick fix  
You're broke,  
no quick fix  
You're broke,  
no price for power

Bring the fight  
Bring the fight  
To the floor  
No price for power  
Bring the fight  
Bring the fight  
To the floor  
No price for power

I'm pushed to the limit,  
in my heart I've got malice  
Cultivated in Cali...  
And wasted in wonderland  
Better the devil you know,  
Than the one you don't  
You can not trust  
Another and you know you won't

Sure as shit  
There's nothing that will change me  
There's nothing sure as shit

Now there's no quick fix  
You're broke,  
no quick fix  
You're broke,  
no price for power

Bring the fight  
Bring the fight  
To the floor  
No price for power  
Bring the fight  
Bring the fight  
To the floor  
No price for power

Annihilate to obliterate  
Step fucking in  
And redeem your fate...

Shot to the center of everything  
Welcome to the new world!

Bring the fight  
Bring the fight  
To the floor  
No price for power  
Bring the fight  
Bring the fight  
To the floor  
No price for power
