

## Resurrection Blvd.

DevilDriver

She brings me nails, and turpentine  
all of this time, the girl was mine  
I am alone, like a rusty door  
all of the time, my head in the fog

Cat's in the corner,  
dog's on the floor  
Phone keeps ringing, she's asking for more  
spaces between places, I'm not worthy  
LEAVE ME ALONE!!

You should've never, left me alive  
You should've sat, and watched me die  
(die)

Isn't it Hard?  
Living on resurrection Boulevard  
Isn't it Hard?  
Isn't it Hard?

Isn't it Hard?  
Living on resurrection Boulevard  
Isn't it Hard?  
Isn't it Hard?

He brings me life, so full of smiles  
all of this time, been friends for miles  
walking for hours, laughing for days  
talking shit, unearth his grave

Cat's in the corner,  
dog's on the floor  
Phone keeps ringing, she's asking for more  
spaces between places, I'm not worthy  
LEAVE ME ALONE!

You should've never, left me alive  
You should've sat, and watched me die  
(die)

Isn't it Hard?  
Living on resurrection Boulevard  
Isn't it Hard?  
Isn't it Hard?

Isn't it Hard?  
Living on resurrection Boulevard  
Isn't it Hard?  
Isn't it Hard?

Isn't it Hard?  
Isn't it Hard?  
Isn't it Hard?  
Isn't it?

You, you should've sat, and watched me die  
(on resurrection, boulevard)

You, you should've never, left me alive  
(left me alive, alive)

Isn't it Hard?

Isn't it Hard?

on resurrection, Boulevard

Isn't it Hard?

on resurrection, Boulevard

Isn't it Hard?

Isn't it?
