

# Retribution

DevilDriver

Your sight for sore eyes,  
Cannot see!  
Those close to you  
Don't know your device  
They'll compromise  
They'll pay the price  
It's you I despise!  
Just eject  
Nothing more to say  
Just eject  
Tired of wasting days  
Just eject!  
Old feelings  
Bending reason  
Lasts for seasons  
Just eject!

So say goodbye  
Next time make a short hello  
This retribution's just as stones throw  
Say wave goodbye  
Next time make it a short hello  
This retribution is just a stones throw away!

Your motivation I cannot see,  
Your hostile feelings  
Gone left unchecked,  
Called to an old trend  
That never was  
So fuck these feelings!  
Just eject  
Nothing more to say  
Just eject  
Tired of wasting days  
Just eject  
Old feelings bending reason  
Lasts for seasons  
Just eject

So say goodbye  
Next time make a short hello  
This retribution is just a stones throw  
Say wave goodbye  
Next time make a short hello  
This retribution is just a stones throw away!

Sugar skulls decompose  
Under the softest sun  
It makes you feel alive  
Will Lucifer by your side  
[?]  
to Hell and back [?]  
Follow me without doubt  
[?]  
Will Lucifer by your side  
Lucifer by your side

So say goodbye  
Next time make a short hello  
This retribution is just a stones throw!  
Say wave goodbye  
Next time make a short hello  
This retribution is just a stones throw away!

You feel alive with Lucifer by your side  
I've been to Hell and back  
so follow me without doubt!
