What I Be On

Devin the Dude

Folks be tripping on me, I just be doing my thang Hoes be liking the way my big old nuts hang and swang People out in public see me smoking on my herb They want me to sell them some But I must conserve

I'll be getting by I'll be staying focused I'll be getting high I hardly get noticed I'll be on my grind, nah I'll be on my hustle, ya'll I stay on my P's and Q's My weed and brew Yeah Just the tools that I use To get me in a good mood I don't know about you Everybody got their on niche

(Each and every one of you be needing some kind of shit)

Sometimes I get tipsy Get so high that I forget That I had enough and I just keep puffing this shit A lot of times I'm cool although it seems I'm fast asleep (Ey man, I'm having to ping pong this motherfucker, come on, pa ss it to me)

(Do what you do, just stay off of my dick)

I chill out at the crib I roll my green and smoke so much No female companion and it seems I lost my touch But I love the ladies and the ladies they love When I was ten my teenage girlfriend asked me for some wee-weed

(Each and everyone of you be needing some kind of shit)
