The leaves are falling down  
The trees are calming down  
So do we love it now?  
The thrills are calming down  
And she is leaving town...  
So do we love it now?  
Find a way, we're falling all the time  
Soon we will be home within our time  
Soon we will be harmonized,  
How in the world are we going to find the time?  
I will always love you  
...if you wouldn't mind I think I'll fall in line  
I will always love you  
...if you wouldn't mind I think I'll fall in too.  
I'm over, I'm over, I'm overtired..  
I'm over, I'm over, I'm overtired...  
(You're so tired)  
I'm over, I'm over, I'm overtired..  
I'm over, I'm over, I'm overtired...  
I will always love you  
...if you wouldn't mind I think I'll fall in line  
I will always love you  
...if you wouldn't mind I think I'll fall in too  
It's you, it's you, it's always been you..  
It's you, it's you!  
Young love, it's on the blackberry vine!  
Young love, it's on the blackberry vine!  
Young love, it's on the blackberry vine!  
Young love, it's on the blackberry vine.
