

Material

Devin Townsend

Out of man and motor
Out of manic mode
This I swear, this I swear
This I swear to you
I've got one more ticket to ride
I've got one more "take 'em alive"
I've got one more reason to write
Give me one more try

Ah, these are the days
Let them roll as they roll
And be all you are
Because you're beautiful
Material

Hear that truth again!
