

# Namaste

Devin Townsend

Follow the way  
Follow the way  
Holding mother  
Follow the way  
Follow the way  
Knew we'd come through to stay  
What have I learned?  
All life, it never goes away  
You never will betray  
When words have gone away  
Remember Namaste  
Follow the way  
Follow the way  
Holding father  
Feeding the feeling of  
Feeding the feeling of  
"Oh my God"
