

# Planet Rain

Devin Townsend

What have we learned?  
From this wee exercise  
Where do we go?  
Now that it's over  
What do we say?  
What are we doing here?  
Everything's changed  
Everything's stayed the same  
But it's quiet now, quiet now  
Cause it's the end of the world  
What if we've changed?  
What if we're finished here  
Can we be saved?  
Does anybody even care?  
So many dream  
So many make the grade  
So many fail  
So many fade away  
Show you've a soul by crying  
Sorry, already  
I'm so sorry  
So sorry  
I know now  
So slow down  
I'm sorry  
I'm sorry  
I'm sorry
