

Seams

Devin Townsend

I love you, confuse you
-Maybe push you too far
Don't worry, unleash me
That's song...that song
Come near me, relieve me
Protecting my heart
How crazy? ...completely.
But that's all, that's all.
...that song
Calm down, I'm falling apart at the seams
(Hold your head up and go your own way...)
Calm down, I'm falling apart at the seams
