

## Baby Talkin' Bitches

Devo

Baby talkin' bitches lookin' for a man  
Mamma be-be-da-da get lost while u can  
We do not like the way you slide  
We do not like the soft inside  
We do not like you many ways  
And we could do without you for days  
Baby talkin' bitches dying without fun  
Man was meant for woman. Why are you  
So dumb?
