

Disco Dancer

Devo

I'm a disco dancer
But I've got no place to go
(I'm a disco boy I'm a disco boy)
I'm a disco dancer baby
But my feet won't touch the floor
(I'm a disco boy I'm a disco boy)
Oh no

I've been sleeping twenty years or more
I remember a long time ago
(I'm a disco boy I'm a disco boy)
Nya nya nya nya

Now I'm back to change your mind
Now I'm moving right in time
In a world that's turned unkind
I see what's going on behind my back
I'm a disco dancer

I keep dancin' on and on
(I'm a disco boy I'm a disco boy)
Oh no
I'm a disco dancer baby
But I think that something's wrong
