Gates of Steel

Twist away the gates of steel Unlock the secret voice Give in to ancient noise Take a chance a brand new dance Twist away the gates of steel

Twist away Now twist and shout The earth it moves too slow But the earth is all we know We pay to play the human way Twist away the gates of steel

A man is real Not made of steel

But the earth is all we know We pay to play the human way Twist away the gates of steel

The beginning was the end Of everything now The ape regards his tail He's stuck on it Repeats until he fails Half a goon and half a god A man's not made of steel

Twist away Now twist and shout The earth it moves too slow But the earth is all we know We pay to play the human way Twist away the gates of steel

A man is real that's how he feels
