Gut Feeling

Something about the way you taste Makes me want to clear my throat There's a method to your movements That really gets my goat I looked for silver linings But you're rotten to the core I've had just about all I can take You know I can't take it no more

I've got a gut feeling I've got a gut feeling I've got a gut feeling, feeling

Centered 'round long time ago On your ability to torment Then you took your tongs of love And stripped away my garment I looked for silver linings But you're rotten to the core I've had just about all I can take You know I can't take it no more

I've got a gut feeling I've got a gut feeling I've got a gut feeling, feeling

I've got a gut feeling I've got a gut feeling, feeling

I've got a gut feeling I've got a gut feeling, feeling

I've got a gut feeling I've got a gut feeling, feeling

I've got a gut feeling I've got a gut feeling, feeling

I've got a gut feeling I've got a gut... woooo, hoo-hoo-hoo... OHHH

Slap your mammy down

Slap your pappy down again

Slap your pappy down again

Slap your mammy down

Slap your pappy down again

Slap your mammy down

Slap your pappy down again, oh move it up and down now

Slap your mammy down

Slap your pappy down again, oh move it all around now

Slap your mammy down Slap your pappy down again, oh move it up and down now

Slap your mammy down Slap your pappy down again, oh move it all around now
