

Luv-Luv

Devo

Luv luv
luv luv
say you will
be mine
and love me, love me, love me
all of the time
treat me wrong
that's all right
just give me a little more
of what you got tonight

Let's take a risk
we'll do it your way
taste the sweet smell of danger
when I hear you say:

Luv luv
luv luv
say you won't
just forget
the way you take me, take me
over the edge
make your move
turn that dial
Let me touch you, oh my baby
show me I'm alive

Don't be afraid now
I'm talking to you
don't you know it's time to
go go go go go!

Now you tear
let go my heart
there's no running
from the lies
my heart
my poor heart
plays tricks on my mind

Luv luv
luv luv
say you will
be mine
and love me, love me, love me
all of the time
treat me wrong
that's all right
just give me a little more
of what you got tonight

Let's take a risk
we'll do it your way
taste the sweet smell of danger
when I hear you say:

Luv luv

say you will
be mine
