

Luv & Such

Devo

Three cheers, I'm in love again
Three cheers, dunno when it's gonna end
I met her shoppin' at a discount store
Now we're together, we're not shoppin' anymore

She decides when we go for a ride
She decides when it's time to come inside
I wouldn't have it any other way
We play around each and every day

What a gal, she takes my heart out for a walk
What a gal, she looks good and tall
You'll hear me sayin' just how good things could be
You know I love her 'cause she'd do these things for me

Whoa-oh-oh-oh, whoa-oh-oh-oh
Whoa-oh-oh-oh, whoa-oh-oh, she gives me love and such

Love and such, take your girl for a walk
Love and such, give her a twirl
You get the picture, what I'm talkin' about
It's a little somethin' that I can't do without

you can say it won't last
it's a thing of the past
you can say it's not much
Call it what you want but give me love and such

What a gal, she takes my heart out for a walk
What a gal, she looks good and tall
You'll hear me sayin' just how good things could be
You know I love her 'cause she'd do these things for me

Whoa-oh-oh-oh, whoa-oh-oh-oh
Whoa-oh-oh-oh, whoa-oh-oh, she gives me love and such
