

Morning Dew

Devo

Walk me out in the morning dew my friend
Walk me out in the morning dew today
Can't walk you out in the morning dew my friend
Can't walk you out in the morning dew today

I thought I heard a baby cry this morning
I thought I heard a baby cry today
You didn't hear no baby cry this morning
You didn't hear no baby cry today

Where have all the people gone this morning
Where have all the people gone today
You'll never find no people here this morning
You didn't need those people anyway

I thought I heard a young male call this morning
I thought I heard a young male call today
You didn't hear no young girl call this morning
You didn't hear no young girl call today

And now I can't walk you out in the morning dew my friend
I guess it doesn't matter anyway
