

## Penetration in the Centerfold

Devo

Middle of the month  
happenin' all over town  
you know its got me reeling forward  
got me fallin' to the ground.

There's a new mag on the market  
it's the best around  
all the guys are talking  
it's the best they ever found  
all the guys are talking  
because they all want some.

It's got me reaching in my pocket  
got me forkin' over cash.  
'cause there's something in the middle  
and it's giving me a rise.

Every single month  
it's the same old trash  
there's a girl in the middle  
with her finger in her gash  
there's a boy there in the middle (boiler in the middle?)  
with a reamer up her ass. (it's definatley "reamer")

Penetration!

Middle of the month  
happenin' all over town  
you know its got me reeling forward  
got me fallin' to the ground.

It's got me reaching in my pocket  
got me pokin' at my cock.  
'cause there's something in the middle  
and it's giving me a rise.

Penetration!
