Love comes in spurts And love is all around us Love is what it does Sometimes it hurts Does that strike you rather strangely, does it ever love? Please, please, please No need to be so cruel Please, please, please Don't treat me like a fool Love comes in spurts Sometimes it gets to be too much to rise above Please, please, please No need to be so cruel Please, please, please Don't treat me like a fool If you love me You would leave me Leave me time to be alone Please believe me That would leave me Time to love you Does that strike you funny, love? Be-bop-a-lua Be-bop-a-lua she's my ? baby When it's over Promise me that you'll go When it's over Promise you'll let me know When it's over promise me that you'll go Just because what it was becomes another empty cup of memories Love comes in spurts And love is all around all us, love is what it does Sometimes it hurts Does that strike you rather strangely? Does it ever love? Please, please, please No need to be so cruel Please, please, please Don't treat me like a fool If you love me You would leave me Leave me time to be alone Please believe me That would leave me Time to love you Does that strike you funny love?
