

## Space Junk

Devo

She was walking, all alone  
Down the street, in the alley  
Her name was Sally, I never touched her  
She never saw it  
When she was hit by, space junk  
She was smashed by, space junk  
She was killed by, space junk

In New York, Miami Beach  
Heavy metal fell, in Cuba  
Angola, Saudi Arabia  
On Christmas Eve, said NORAD  
A Soviet sputnik, hit Africa  
India, in Venezuela  
In Texas, Kansas  
It's falling fast, Peru too  
It keeps coming, it keeps coming, it keeps coming

And now I'm mad about, space junk  
I'm all burned out about, space junk  
Oooh walk and talk about, space junk  
It smashed my baby's head, space junk  
And now my Sally's dead, space junk
