

Stuck in a Loop

Devo

When you hear woulda, shoulda, coulda
Gotta think, mighta been, in spite of
Low down tired of being a fighter
Turn around put it all behind you

Caught in a trap and you can't walk out
It's in your mind so you can't walk out
Now don't get stuck, stuck in a loop again
Well, you're gonna get stuck, stuck in a loop again

When you hear, maybe, baby, someday
Gotta say, when do I get it my way
Freeze-dried waitin' for the big day
Get wise take another freeway

Caught in a trap and you can't walk out
It's in your mind so you can't walk out

Just when you think, you've got it beat
It sets you up and knocks you down
Try to blow it off or trade it in
And you'll wind up in the lost and found

And then you're stuck, stuck in a loop again
Well, you're gonna get stuck, stuck in a loop again

Maybe random, maybe a scam
Fate lays waste to the greatest plans, that's life
Talk about karma moan about sin
Just don't get stuck in that loop again 'cause that's life
