

# Subhuman Woman

Devo

My Woman's Subhuman  
(she won't talk)

My Woman's Subhuman  
(she can't talk)

My Woman's Subhuman  
(she came from space)

My Woman's Subhuman  
(she's got no face)

She's bald, she's cold  
She's eight years old  
She's gonna live for the future  
She's got a six foot sign  
that says "I love you."
