

Timing X/Space Junk

Devo

She was walking all alone
Down the street in the alley
Her name was sally
I never touched her
She never saw it
When she was hit by space junk
In New York Miami beach
Heavy metal fell in Cuba
Angola Saudi Arabia
On Xmas eve said Norad
A soviet sputnik hit Africa
India Venezuela (in Texas
Kansas)
It's falling fast Peru too
It keeps coming
And now I'm mad about space junk
I'm all burned out about space junk
Ooh walk & talk about space junk
It smashed my baby's head
And now my sally's dead
