

Watch Us Work It

Devo

Drums, rock steady
Bass, keep it tight
Lead, do it now

Hey!
I thought I heard somebody say
That dog ain't going home
Until he gets his bone

Hey!
They said that way he'd be ok
So when he's home alone
He'd bark ain't nothing wrong!

Now, watch us work it
Work it out
Watch us work it
Work it inside out
Now, watch us work it
Work it out
Watch us work it
Work it inside out

Baby we can work it out
Let's put it back together

Baby we can work it out
Let's put it back together

Baby we can work it out
Let's put it back together

Baby we can work it out
Let's put it back together

Hey! My baby said to me
I feel so Devo
I don't know what to do

Hey! It's ok because she's free
How low can you go?
That
