

Such A Lovely Thing

DeVotchKa

It's an elusive thing
This love of which you sing
What are we doing
What are we doing?
I will give you anything
Just please don't stop singing
The world will stop spinning round

You're such a lovely thing
But there is ice forming
Upon your pretty wings
What are you protecting?
I'll give you everything
And you could wear this ring
But you only love me
You only love me when I'm leaving
You only love me cause I'm leaving
You only love me when I'm leaving
You only love me cause I'm leaving here tonight

You're such a lovely thing
But there is ice forming
Upon your pretty wings
Why are you lying?
I will give you anything
Just please don't stop singing
The world will stop spinning round

It's an elusive thing
This love of which you sing
What are we doing
What are we doing here?
And I will give you anything
And you could wear my ring
But you only love me
You only love me when I'm leaving
You only love me cause I'm leaving you
You only love me cause I'm leaving
You only love me when I'm leaving here with you
