

# The Jaws Of The World

DeVotchKa

I snatched you away from the jaws of the world  
But I drank up her oceans and dried up her pearls.  
I acted reprehensibly.  
I acted like she was sent here for me.  
Gold in the water, and under the water  
And the richer man gave his lovely daughter  
for lack of decency.  
She robbed a thief like me.

I would saw off my limbs for a little bit more.  
I would trust you, . but trust is such a dirty bord.  
I would saw off my limbs for a little bit more.  
I loved you, but love is like a dirty whore.

Aah-oooh. Aah-oooh. Aah-ooh. Aah-oooooh.

Well I snatched her away from the jaws of the world  
But I drank up her diamonds and I dried up her pearls.  
I acted reprehensibly.  
I acted like she was made for me.  
And now into the water. And under the water.  
I'm baptized with the neighbor's daughter for a life of decency  
.  
She saved a wretch like me.

I would saw off my limbs for a little bit more.  
I would trust you, but trust is such a dirty word.  
I would saw off my limbs for a little bit more.  
Oh, I loved you, but love is like a dirty whore.

Aah-oooh. Aaah-oooh. Aah-ooh.  
Aah-oooooooooooooooooh.
