Coppers in Force

Coppers are out in force tonight

Better look out, better keep em in sight

Don't know what they'll bust us for

Doesn't really matter, you'll be out the door

Coppers are out
Coppers are out in force tonight

Piss on them for the shit they cause Fuck 'em all for their fucked up laws Doesn't matter what you say You're always on the wrong & Now it's your time to pay
