

One-Sided Society

Devotchkas

You've got a problem, I'm so sick of you
You're always telling me what to do
I'm not perfect, I know my flaws
But you're not gonna be the one who lays down my laws
Just because we don't see eye to eye
That doesn't mean I'll take your fuckin' lies

One sided society,
If you don't believe in the same thing
you're left out, you see
one sided society,
Point your finger at yourself
Before you point it at me,
Before you do accuse me, take a look at yourself
You've got the problem here, not anyone else
I don't need them and I don't need you
So what the fuck are you trying to prove

We can't play this and we can't play that
You're the fucking biggot as a matter of fact
I don't give a fuck if we can't play your shows
Try explaining yourself, you never come to us, I know.
