

# You And Not Me

## Devour The Day

I need to sit awhile  
But I can't rest my tired bones  
This lie that I'm living is taking control  
My skin is wearing thin  
My heart has turned to black  
And I can't get the devil off of my back

Leave me alone

I can't, I can't believe it  
Why don't you see it  
You're the one who's saved  
You and not me  
I can't, I can't believe it  
I just don't see it  
You're the one who's saved  
You and not me  
You and not me

I can't still remember how it feels to be alive  
I knew it had me going at the ending of my time  
Somewhere in between I know I just lost track  
And I can't get the devil, get the devil off of my back

Leave me alone

I can't, I can't believe it  
Why don't you see it  
You're the one who's saved  
You and not me  
I can't, I can't believe it  
I just don't see it  
You're the one who's saved  
You and not me

I can't, I can't believe it  
Why don't you see it  
You're the one who's saved  
You and not me  
I can't, I can't believe it  
I just don't see it  
You're the one who's saved

I can't, I can't believe it  
Why don't you see it  
You're the one who's saved  
You and not me  
I can't, I can't believe it  
I just don't see it  
You're the one who's saved  
You and not me
