

# Simplicity In Chaos

Dew-Scented

For A Precious Moment  
Hidden Well From The Poisoning Light  
Hell I Wish I Could

Come Cleanse My Mind  
Hold These Hands For Eternities  
And Disclose The Truth

Chaos...

Agony Feeds On Salvation  
Unchaining Disguise  
Diving Straight Into Damnation  
Simplicity In Chaos

Touching Heavens In A Rush  
Twisting Thoughts Of No Remorse  
In A Labyrinth Of Passion  
Victimized By Their Praise Of Crime

We Are Victimized  
By Their Praise Of Crime  
Yes; There Is Simplicity In Chaos

Sworn To Hold  
Simplicity Forever  
So How Could I  
Expect Blessing In Chaos

Chaos...
